## **Certified Dealer Program**

### **Existing Spray Foam Dealers and Contractors**

If you are an existing spray foam systems dealer or contractor interested in becoming a *Bio Based Systems* Certified Dealer, the following steps need to be completed:

- Submit a *Dealer Application* form.
- Bio Based Chemicals, LLC will follow up with you to verify your capabilities and experience.
- Upon your approval and the signing of our *Dealer Agreement*, you may begin purchasing and applying *Bio Based Systems* spray foam products.

### **New Spray Foam Dealers and Contractors**

If you are new to the spray foam industry, but are interested in becoming a *Bio Based Systems* Certified Dealer, the following steps need to be completed:

#### **Application**

- Submit a *Dealer Application* form.
- Arrange for the purchase of one of *Bio Based Systems*' custom manufactured trailer mounted spray systems. Prices start at approximately \$64,000.
- Include a 30% deposit check with your application or...
- Complete a *Credit Application* form.
- Upon purchase of the spray system, you will be scheduled for your certified training session at our facility. Training and support are included in the system price.

#### **Training**

- *Day 1* – Building science, spray insulation chemistry, application technologies, material handling safety.
- *Day 2* – Spray business management, *Bio Based Systems* sales techniques, construction site operations including on-the-job safety.
- *Day 3* – *Bio Based Systems* spray equipment setup, hands-on spray operations, equipment maintenance and safety.

#### **Certification**

- Upon completion of the training program, you will be a *Bio Based Systems* Certified Dealer. You can now take your custom manufactured spray system home to begin your exciting and profitable new business with the support you need to succeed.
